

KOMAKINO

**DREAMING OF FOREVER VISCERAL IRREPRESSIBLE IRREDUCIBLE ALIVE**

**Founded and designed in London,  
made in Italy. Komakino positions  
itself as the fashion label for outsiders.  
Drawing inspiration from the  
subversive mix of rebellion, music and  
tribalism, Komakino is as loud as it is  
minimal, with tailoring and streetwear  
coexisting alongside each other. “We  
make clothes for individuals -  
individuals could probably be defined  
as outsiders nowadays”**
